About Me

UI/UX designer with 3 years of experience designing mobile and web products, from user research to polished prototypes. Cares about accessibility and clean developer handoff.

Skills & Tools

Design tools: Figma, Adobe XD, Sketch, Photoshop, Illustrator, Miro
UX methods: user research, usability testing, user flows, personas, journey maps, information architecture
UI skills: wireframing, prototyping, interaction design, responsive design, design systems
Other: WCAG accessibility, A/B testing, design thinking, basic HTML and CSS

Experience

UI/UX Designer, PixelPath Studio

Sep 2023 - Present

- Designed mobile and web interfaces in Figma for 6 client products, from wireframes to high-fidelity prototypes.
- Ran 20+ usability testing sessions and turned findings into changes that raised task completion by 25%.
- Built a design system with reusable components used by 4 development teams.
- Applied WCAG accessibility guidelines for color contrast and keyboard navigation.
- Reviewed builds with React developers during handoff.

Junior Designer, Frame and Form Creative

Jul 2022 - Aug 2023

- Created landing page mockups and social media graphics in Photoshop and Illustrator.
- Conducted user interviews and prepared personas and user journey maps.

Case Studies

- **Food Delivery App Redesign:** Case study covering research, wireframes, prototype and usability test results.
- **Bank Onboarding Flow:** Simplified a 9-step sign-up to 5 steps, tested with 12 participants.

Education

B.Des in Communication Design, Example Design Institute (2018 - 2022)

Certifications

- Google UX Design Certificate
- Accessibility for Designers workshop
